## LITTLEVILLE SCHOOL MAY BE CLOSED

The Requisite Forty Pupils Fail to Show Up.

Only About 25 Attend New School—Mr. Warren Sights Enters Chicago University.

## OTHER LATE SCHOOL NOTES

Reports from the Littleville school which yesterday closed its first week, are not encouraging and if the pupils do not increase, the school will be abolished. The Littleville residents petitioned the board to allow them a teacher and agreed to furnish the house and fuel. The teacher was secured but the guaranteed 40 pupils have not shown up, only 25 being averaged the past week. There is one resident who has four children he wishes to place in school, but refused to have them undergo a vaccination which is essential to their entrance.

Supt. Lieb stated this morning that unless the school increased in pupils it would necessarily have to be closed, as the attendance does not justify the expense of an extra teacher when teachers are needed in Mechanicsburg where the schools are crowded.

Principal Payne, of the High School who has been through the University of Chicago and knows the faculty, has received a telegram saying that the credentials of Mr. Warren Sights, who was taken to Chicago by his father to enter that university, had been accepted and that the young man would be admitted to the university without examination.

He is the first Paducah boy to go directly to the big university from the public schools and it is quite a compliment to the local teachers who taught the boy. The pupils this year and hereafter will be admitted to all big universities without preliminary examinations, the excellence of the local schools being recognized now.

Friday next the first monthly teachers' meeting will be held at the High School. The teachers are required by school rules to meet once every month and a literary program is arranged for the meetings in advance for the entire year.

The attendance in the schools has been reported generally better. All principals report an increased attendance and the schools are all reported running smoothly.

The board of education meets Tuesday night next and has under consideration a plan to increase the Mechanicsburg school facilities by renting a frame building now being erected in a convenient place, and which the owner is willing to rent to the board. Definite action will be taken at Tuesday night's meeting.

One hundred and sixty seats that had been delayed several weeks have arrived for the public schools, and are to be distributed in the public schools where they are needed.

## GOOD SPIRITS.

Good spirits don't all come from Kentucky. Their main source is the liver—and all the fine spirits ever made in the Blue Grass state could not remedy a bad liver or the hundred and one ill effects it produces. You can't have good spirits and a bad liver at the same time. Your liver must be in fine condition if you would feel buoyant, happy and hopeful, bright of eye, light of step, vigorous and successful in your pursuits. You can put your liver in fine condition by using Green's August Flower—the greatest of all medicines for the liver and stomach and a certain cure for dyspepsia or indigestion. It has been a favorite household remedy for over thirty-five years. August Flower will make your liver healthy and active and thus insure you a liberal supply of "good spirits." Trial size, 25c; regular bottles 75c. For sale by DuBois, Kolb & Co.

Republicans, if you would vote, register Tuesday, October 4th.

## SECRETS

At the Price of Suffering.

Woman on her way to semi-invalidism caused by pregnancy suffers much pain. Ignorance prompts her to suffer alone in silence and remain in the dark as to the true cause—motherhood.

Mother's Friend takes the doctor's place and she has no cause for an interview. She is her own doctor, and her modesty is protected. Daily application to the breast and abdomen throughout pregnancy will enable her to undergo the period of gestation in a cheerful mood and rest undisturbed.

## Mother's Friend

is a liniment for external use only. It would indeed be shameful if the sacrifice of modesty were necessary to the successful issue of healthy children. All women about to become mothers need send only to a drug store and for \$1.00 secure the prize childbirth remedy. Healthy babies are the result of using Mother's Friend. Our book "Motherhood" mailed free. THE BRADFIELD REGULATOR CO., ATLANTA, GA.
